

Hi! PARIS Hi!ckathon Completion Certificate

Hi! PARIS, the center on Data Analytics and Artificial Intelligence for Science, Business and Society created by Institut Polytechnique de Paris and HEC Paris and joined by Inria, has conferred to

Trung Dan Phan

the Hi! PARIS Hi!ckathon Completion Certificate.

The Hi!ckathon is a two-day competition that puts students in the role of Data Scientists, challenging them to carry out a complete project on supply chain management. This includes understanding the business issue, preparing and exploring data, creating visualizations, developing models, and deploying the project.
